### **Rexford Hires Herbkersman**

Rexford Industrial, LLC, announced that it has appointed industry leader, Bruce A. Herbkersman, as Director of Project Management.

Herbkersman is responsible for Rexford's project management and construction activities, including the repositioning and renovation of Rexford's value-add industrial properties and the execution of tenant improvements.

Herbkersman brings more than 19 years of construction management and general contracting experience to the Rexford team. Mr. Herbkersman most recently served as Senior Vice President with Lowe Enterprises where he was responsible for construction management in Southern California. Mr. Herbkersman culminated his career at Lowe Enterprises overseeing a substantial range of prominent industrial projects throughout Southern California, prior to joining Rexford.

A graduate of Cal Poly University, San Luis Obispo, California, Mr. Herbkersman, holds a Bachelors of Science, Construction Management.
